***Promoting Responsible Fatherhood Involvement after
Separation and Divorce:
A Workshop for Parents and Professionals***

(1) What do we know about separated and divorced fathers?

(2) How do we ensure responsible father involvement?

***(3) Shared parenting after separation and divorce: How do we make it
work in the best interests of children?***

This presentation will examine the barriers to fatherhood involvement with children after parental separation, and ways of overcoming those barriers, including a new approach to child custody and access after divorce.
